

Caring Action for Children, Inc.

February 7, 2023

To our wonderful and generous supporters:

After more than 60 years of dedicated service, the Board of Directors has made the incredibly difficult decision to wind down operations of Caring Action for Children, Inc. As a result, we will no longer be accepting donations after June 30, 2023. We are truly grateful for the continued support you have provided through the years to help the underprivileged children and young people in Mexico. We could not have done this without you.

Your donations have not only impacted numerous lives daily, but have also been used to build schools, maintain and improve the homes, provide scholarships, plus so much more. In other words, your donations have made a difference. We will continue to distribute all remaining funds directly to the children's homes until all funds have been exhausted.

Again, thank you for your dedicated support and generosity and for MAKING A DIFFERENCE in the lives of God's children in Mexico. In the words of our late Executive Director, Tor Jansen: **"They let me know that what I had done made a difference in their lives, and that was my reward. That is what keeps the faith going; that you made a difference in someone else's life, and it lasts forever."**

We encourage you to continue making a difference by making future donations to another organization that interests you. Thank you.

God bless,
Caring Action Board of Directors
