THANKS FROM ALL OF US AT THE
"MAMA PAULITA" HOME.

Dear Friends,

In this newsletter we will let the pictures tell you the stories of the children and youth which you have helped in Mexico. You will see happy children in their new homes, receiving three meals every day, a secure bed of their own, the opportunity to attend school and spiritual guidance from caring Christians!

When we travel to Mexico, it is sometimes very difficult to take pictures of the sad conditions where these children of God come from. We see it when we visit, but we respect the people who live there too much to intrude with a camera. The needs are there. Visit yourself, if you can, and you will see!

In 1989, Caring Action for Children received a total of \$68,900 from all of you donors. 62% came from Norway, 25% from Sweden and 13% from U.S.A. Our expenses for travel and newsletters were \$5,750, so you see that more than 90% was available for mission to children and youth in Mexico. Last year we also used some of our reserve funds to purchase the youth home "Cinco Banderas".

Could we do more? Oh yes, even after 23 years of service, we find many opportunities on our visits. Mexican Christians often ask for our help to get started on new projects for children and youth. Many now understand the need to do something for the homeless children. Children have so long been neglected by churches and government in Mexico. From your gifts, we added a youth home and support for the new children's home "La Fe" last year. This year we are exploring the start of another children's home among the Mayan people on the Yucatan Peninsula of Mexico.

Your donations now make eight different service projects possible. Please share this newsletter with a friend because we need to have new friends to expand this international Christian service effort. Jointly we Scandinavians

-----"
As a non-profit, interdenominational organization, it is our goal to respond to the needs of the underprivileged children of the world. It is our belief that these needs must be met at all levels in a child's life - we must relate to the total being; the physical, the mental, the spiritual. When put into ACTION, this means providing food, shelter, and clothing to meet the children's physical needs; providing educational opportunities to enrich and enhance the mental capacities of the children, and providing the opportunity for worship thus encouraging spiritual growth.

and North Americans can continue to share our blessings with the unfortunate children of Mexico.

Thanks for the opportunity to serve as your Director of this mission for Christ!

We have a nice place to live.

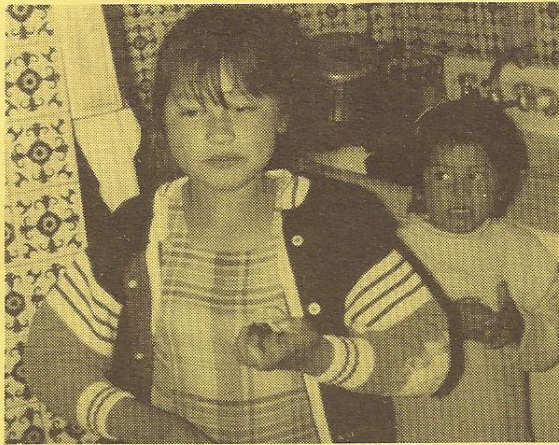

We don't forget where we came from, but we know where we are going with your help.

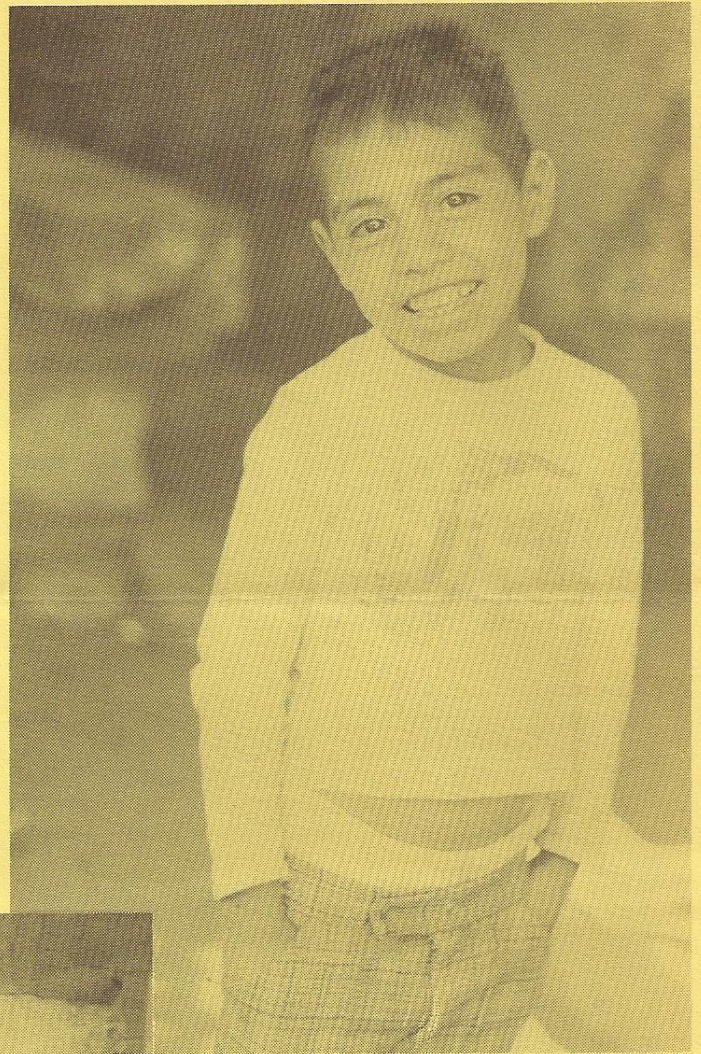

We are given the opportunity
for an education and to learn
about God and his people.

We graduate with the promise of a
better future.

Thank you for the food we eat
and the clothes we wear.

10 Children's Gospel Clubs
are given the opportunity to
meet every Saturday in the
Monterrey area.

Thank you so much for your donations
to these children. Their future
looks bright. Many more are waiting
for someone to care. If you are a
new donor, we will send you news-
letters to show how your money is
helping. Write to us if you would
like to visit one of our projects in
Mexico. You will never forget the
experience!
