The children at The Shelter in Monterrey look forward to regular visits from the pastor and youth director of one of the local churches. They come with some volunteers and sing with the children, use skits to tell Bible stories, and bring a craft activity to do with the children.

What a great way to share the love of God with these special children. Many hugs are given, and the children feel loved and cared for.

With gratitude...

Thank you to those who have responded and donated to make the repairs needed at our Home in Tlaxiaco! And a big thank you to our Caring Action coordinator in Norway—Helge Jansen. He applied for and received a grant from Denmark towards getting these repairs done as well. So,...the work is now scheduled and we can feel good that the young students will be living in healthful conditions as they study and prepare for a new life.

With thanks from the volunteer Board of Directors and international coordinators:

Introducing our Board of Directors

Susan Newsom is currently Treasurer on the Board of Directors for Caring Action for Children. Her involvement with Caring Action began in March 2002 when she traveled to Esperanza in Bonfil with a work party. The week in Bonfil was filled with hard work scrubbing walls, painting, and cleaning up after a fire that occurred in one of the dorm rooms. The week also provided lots of laughter and play with the children. Susan was hooked and joined the Board of Directors in 2003. Since joining the Board, she has traveled to Mexico with Shirley Becker, President of Caring Action, each year to visit the various children's homes. The visits involve meeting with the Patronato for each home, identifying accomplishments and needs of each home, and always finding time to play with the children.
