Good Things Happening at Casa Hogar Mama Paulita

Mama Paulita, located in Mante, was the first Home built by Caring Action for Children. We met with their Patronato (Board of Directors) during our visit to Monterrey in May, and were delighted to hear about all the positive activities and growth at the Home. They currently have 49 children, age 3-18.

The Patronato has been able to make many improvements to the Home, including overhead fans in the Elementary School classrooms, closets in the girls dorm so that each child has her own space for her things, a new electrical substation, (not very exciting, but necessary), a new roof built for the teenage boys bathroom and storage room, a new screen door and entryway to the boys area, the purchase of a big horizontal freezer, purchase of 5 new picnic tables, and new LED lights installed in all areas of the Home and School.

The children are looking forward to the end of July when they will take a bus to Monterrey for a week of Vacation Bible School. During this week, the children will have the opportunity to visit a doctor and dentist for checkups, and to enjoy visits to parks and other recreational areas.

Future goals in 2017:

- Construction of a new dorm for the high school students
- Replacing their 15 year old van with a new one
- Establishing a fund to help high school graduates continue studying in the public university.

While in Monterrey, we visited The Shelter, and were greeted with this very warm welcome!
