

# Serving Abandoned and Orphaned Children in Mexico

Since 1966

Spring 2022

## Surviving and Thriving Through the Pandemic

The children at Mama Paulita are thriving. As we have mentioned previously, the children have been able to attend school non-stop since March 2020 because their school is on their property. Your donations to Caring Action over the years have helped Mama Paulita to build their on-campus school. To the left, you see a photo of some of the children diligently working on homework. And below, attending class.

The Caring Action Board of Directors has not been able to visit the Homes we support in Mexico since before the pandemic started, and so do not have many new photos to share with you. We have received a few photos via email and are sharing those.

*Thank you for your continued support and generosity through the years. It is because of your donations that Caring Action has been able to continue our mission to help God's children in Mexico. We have made the difficult decision to transition to online donations only through PayPal. You can do this by using the QR code on the left, or by going directly to [donate.caringaction.org](http://donate.caringaction.org). **After March 1, 2022, we will no longer accept check donations.** For more information, you can always visit our main website at [www.caringaction.org](http://www.caringaction.org).*
